

Historic Zoning Commission

Certificate of Appropriateness
Application Instructions

HISTORIC
FRANKLIN
TENNESSEE

Please Review all instructions:

1. All applicants are required to submit an application to the Historic Zoning Commission for exterior alterations, which is defined as any construction or change to the exterior of a building, site, structure, fences, and/or signage designated within the Historic Overlay. **Applications are available within the Franklin Planning Department at City Hall.**
2. If desired, a pre-application consultation with the Historic Preservation Planner is available by appointment. The consultation will be an on site visit at the proposed project location.
3. Consult the *Franklin Design Guidelines Manual* and the *Franklin Zoning Ordinance* design standards to ensure your proposed project will be in compliance. These documents are available in the Franklin Planning Department and online via link on City of Franklin HP website: http://www.franklin-gov.com/historicpreservation/design_review.html.
4. All new construction projects (**including new residential or commercial projects from the ground up, additions, commercial store front changes, or any other complex project**) ***will be required*** to attend a Design Review Committee (DRC) meeting before attending a Historic Zoning Commission meeting. Please contact the Historic Preservation Planner in order to be established on the agenda ***two full weeks*** prior to the scheduled DRC meeting. Meeting dates are available online at the following website: <http://www.franklin-gov.com/historicpreservation/calendar.html>.
5. Complete all of the required information on the application form.
6. Provide all required information or any other supporting information as detailed on the application checklist.
7. Submit **twelve collated copies** of the application and all required information to the Historic Preservation Planner, Franklin Planning Department, Franklin City Hall, **by 5:00 PM of the application deadline**. Meeting and deadline dates are available online at the following website: <http://www.franklin-gov.com/historicpreservation/calendar.html>.
8. The Staff Recommendations will be available at the Historic Zoning Commission meeting and may be emailed upon request.
9. The Applicant is required to attend the Historic Zoning Commission meeting to present his or her application.
10. A Certificate of Appropriateness is **not a substitute for a Building or Sign permit**. Please obtain all Building or Sign Permits from the Codes Administration Department.

AGREEMENT

Code Official Approval: _____ Date: _____
Permit Number: _____ Permit Fee: _____

If the applicant is different than the property owner, the application must be signed by both parties. A letter of authorization signed by the property owner must be submitted in the absence of the property owner's signature or where an authorized agent signs in lieu of the property owner.

In filling out this application, I understand that it becomes part of the Public Record of the City of Franklin and hereby certify that all information contained herein is accurate to the best of my knowledge.

I further understand that this application is for a Certificate of Appropriateness and if it is approved, I may be required to obtain approvals from the City of Franklin and obtain Building Permits or Sign Permits from the Codes Administration Department prior to starting project work.

Note: This application must be completed, with all substantiating information required on the Application Checklist, by the submission deadline, or the application will not appear on the agenda. **Twelve collated copies of all information is required.** A submittal review meeting with the Preservation Planner is available. You may schedule this meeting by calling 791-3212 or 550-6733. The applicant or a representative must attend the Historic Zoning Commission meeting.

- All residential applications will require submittal of a copy of the plot plan in order to properly identify all property line setbacks and easements on the property in relation to the location of the proposed structure.
- The undersigned will be responsible for complying with provisions of the Franklin Storm Water Management Ordinance, 2001-53 in the prevention of erosion and sediment control.
